

Year 5 Summer Curriculum Newsletter

Welcome Back!

Dear Parents & Carers,

Welcome back to our final term of year 5! Last term the children worked exceptionally hard and we are in no doubt that, they will continue to do so over this term. As the term goes on, we will also be preparing the children for their transition to year 6.

Over this term, upstairs can become very warm so we recommend children come to school every day with a water bottle so they can remain hydrated (this could be a drink frozen at home if you choose) and take off their jumpers, however, we ask that these be named to avoid jumpers going missing.

As the weather gets warmer, please ensure children apply sun cream before school on sunny days, as we will be spending more time outside – hopefully in the shade.

What will we be learning?

Reading: Who Let the Gods Out

Maths: Decimals and Percentages, Statistics, Shape.

Science: Properties and changing of materials

History: Ground-breaking Greeks

Art & DT: Mixed media, Expression and Architecture

PE: Striking and fielding (Summer 1), athletics (Summer 2).

RE: Sacred places and Umma

PSHE: Relationships and Changing Me

French: The Romans and The Olympics

Computing: Mars Rover 2 and Micro:bit

Homework

Homework will be set each week using the platform Atom learning. It will be set on the following days:

Maths - Set on a Monday, due Friday.

English - Set on Wednesday, due the following Tuesday.

Reading - Read at least 3 times a week; reading diaries will be checked on Mondays.

The same rules will apply to homework as they have in previous terms. Children will be given one opportunity to hand work in late per half term. If this continues, children will complete the missing work in their own time.

We need your help!

Finally, please could we ask for any newspaper, cardboard, magazines, buttons, sequins or scraps of old material that you no longer require as we will be making use of these throughout the term.

As always, our door is open should you have any queries or concerns.

Miss Wilson, Mrs Gilchrist and Miss Potts

The Year 5 Team

PLEASE HAVE PE KITS IN SCHOOL FROM
MONDAY TO FRIDAY.
