

OAKRIDGE TIMES

I do hope you all had a wonderful and restful half term break. It's lovely to have everyone back in school, and I can already sense the excitement and energy as we head into what promises to be an incredibly busy and rewarding final half term of the academic year.

I simply must take a moment to celebrate some of the outstanding achievements from the first two weeks of half term. I am incredibly proud of our Year 1 pupils who worked so diligently on their phonics screening. Their dedication and hard work really shone through, and it is wonderful to see how their reading confidence has grown as a result of their efforts.

Equally impressive has been the commitment shown by our Year 4 pupils as they completed their multiplication checks. Mathematics can be challenging, but these pupils approached their learning with such a positive attitude and determination.

Our summer fair will take place on Friday 27th June from 5pm-7pm. This is always such a great occasion that brings our entire school community together. We have lots of exciting stalls and activities planned, and it is a wonderful opportunity for families to socialise and enjoy the warm community spirit that makes Oakridge Federation so special.

Oakridge Federation—Sports Day Information

With sports day just around the corner I wanted to take the opportunity to remind you all of a few key points to help the day run smoothly:

- Please see you child's classroom window for their 'team number', this is important as this number reflects which station they will **start** on sports day.
- After all the activities have concluded we will gather the children on the playground to announce the results of all the events so please go to the junior playground for this
- Children will then be taken back to class where you must sign them out, please do not take your child before this.
- I am pleased to announced that our newly formed PFTA will be selling refreshments after the results have been announced, they will be located by the junior cabin on the playground. Please wait until after you have signed your child out to ensure that all children are where they should be.
- The outdoor learning toilet will be available to use which is situated at the bottom of our field behind the two blue containers. Your children will be using the inside toilets at the juniors. A member of staff will be there to facilitate this.

We truly hope it will be a fabulous morning where everyone has a lot of fun. The children are doing extremely well while practising during PE lessons. Please cheer and encourage all children as much as possible!
