

OAKRIDGE TIMES

Sports days across both the infant and junior schools were absolutely brilliant. It was fantastic to see so many pupils participating with such enthusiasm and spirit. The energy on both mornings was infectious, and it really showcased the determination and teamwork that our young people demonstrate day in and day out. I'd like to extend my thanks to all the parents who came along to support the events. Your presence made such a difference to the pupils, and it's clear how much it means to them to have their families cheering them on. I must also take a moment to celebrate our Year 5 and 6 boys' football team, who won their tournament. This is a tremendous achievement, and the boys should be incredibly proud of their performance. They've shown real skill, resilience, and excellent sportsmanship throughout the competition. Congratulations, and well done to their coaches for the support and guidance they've provided. I want to thank you all for your continued support of Oakridge Schools Federation. Whether it's attending events, supporting learning at home, or simply being part of our school community, your involvement truly makes a difference.

Coach Jordan's End of Year Sports Round-up

First of all, I wanted to congratulate all the children for such a fantastic sports day. The attitude, effort and determination from all ages across the federation was exemplary and I'm sure all of their parents would have been extremely proud. A huge thank you to all the staff, sports captains as well my coaching team for helping me set up, organise and run the event to ensure it went as smoothly as it did!

I also wanted to give a huge congratulations to our year 5/6 boys football team for winning the Hampshire Plate Cup, the boys have been magnificent all year which culminated in a superb 5-2 win in the final. Our year 5/6 girls also came close to winning silverware reaching the final of the same cup but narrowly losing 2-0 on the day.

As all of our children are moving on to a new year group it has given me the opportunity to select new teams for the academic year starting in September. We had over 150 children trial across the 4 teams available so a massive well done to those who made the team and commiserations to those that didn't, it really was the most difficult selection process that I have had throughout my time at Oakridge.

Finally, we will be welcoming a new coach to the team so keep an eye out for them come September. Coach Grace has moved into a different role within the school so I wanted to thank her for her time and efforts with the me over the last year and a half.

I wish you all a wonderful summer break and look forward to seeing you all in September after a well-deserved 6 week rest!

Flu Vaccine

The NHS School Age Immunisation Service are planning the roll out of the 2026 winter flu vaccination programme to all year groups. The service offers the flu vaccine between September and December. You will receive an email, with details on how to complete the online form, for your child to receive the vaccine in school.

Flu can be a very unpleasant illness for children and young people. High vaccine uptake reduces the risk of flu spreading rapidly in school settings. This helps ensure they remain well, do not miss school days and continue to learn. Vaccinating children also helps protect others who are at higher risk of getting seriously ill from flu, such as babies, anyone who's pregnant and older people.

The vaccine is given as a painless nasal spray. An alternative porcine free injection is offered to those who cannot have the nasal spray.

Vaccines offered to secondary age students during the spring and summer term include:

Human Papillomavirus (HPV)

HPV vaccine is offered to boys and girls in year 8. This vaccine protects against different types of cancers in the future.

Meningitis ACWY (MenACWY)

Meningitis vaccine is offered in year 9. This vaccine protects against four different strains of bacteria (groups A, C, W, Y) and protects against Meningitis and Sepsis (blood poisoning).

Tetanus, Diphtheria and Polio (3-in-1) booster vaccine

The 3-in-1 booster vaccine is offered in year 9. This vaccine protects against serious and potentially life-threatening diseases and provides long lasting immunity against these specific conditions.

Community clinics are available during the school holidays for missed vaccinations.
